Welcome to the JA Performance Coaching Adult Programme at Wrecclesham. The Thursday morning courses run for 5 weeks. The Thursday evening course will only run for 3 weeks - ending on 8th March (due to the lights being out of action).

If you are unsure which class is suitable please talk to Jasper who will be able to advise which group is for you. There are also individual coaching slots available during the day, please ask us for more information. Adult beginner sessions are strongly recommended if you have a budding young tennis player in the family and would like to be able to practice with them. If you would like to try out one of the new rackets from Prince, please ask!
